

LaSalle Medical Associates - RadNet

Policies and Procedures for Inland Empire Region:

DIRECT REFERRALS: Diagnostic X-Ray, Fluoroscopy, Mammography & Ultrasound

- Please provide the patient with a completed **Corona Advanced Imaging, Grove Diagnostic Imaging, Healthcare Imaging, San Jacinto Imaging, Temecula Advanced or Temecula Valley Imaging** direct referral form.
- X-Rays: Walk-in patients will be taken within the limits of the day's schedule for Diagnostic X-Ray at **Corona Advanced Imaging - 9th Street, Grove Diagnostic Imaging, Healthcare Imaging Center, San Jacinto Imaging or Temecula Valley Imaging.**
- Fluoroscopy, Mammography & Ultrasound: patients to call for an appointment at **Corona/Healthcare Centralized Scheduling, Grove Diagnostic Imaging or Temecula Valley/San Jacinto Centralized Scheduling.**

PRIOR AUTHORIZATIONS: MRI, MRA, CT, DEXA, SPECIALS & Nuclear Medicine

(RadNet will be providing Utilization Management services for your patients who need advanced imaging studies)

- All non-emergent requests for these services shall require authorization prior to scheduling. The requesting physician shall complete a **LaSalle Medical Associates Prior Authorization Inland Empire form** and submit to RadNet Management via fax at (800) 398-1388.
- In case of an emergency/STAT, the requesting provider should call the imaging facility directly to schedule the appointment.
- The UM staff will consider the medical necessity and appropriateness of the request and if approved, will notify the physician, radiology scheduling and LaSalle Medical Associates.
- If properly completed and legible, routine requests will be handled within 72 hours of receipt. More urgent request should be designated as "URGENT" and will be handled within 24 hours.
- Requests may be pended for additional information and will be held for 2 business days before returned to the LaSalle Medical Associates.
- Requesting physicians will be notified of cases not recommended for approval. Appeals should be directed to the RadNet medical staff. Should there be a disagreement as to the disposition of the request, the LaSalle Medical Associates medical director will serve as the final authority to approve or deny the service.
- MRI, MRA, CT ,DEXA, SPECIALS & NUCLEAR MEDICINE: Once authorization has been obtained **Corona/Healthcare Centralized Scheduling, Grove Diagnostic Imaging or Temecula Valley/San Jacinto Centralized Scheduling** shall contact the patient for scheduling.
